

## CLUB FEES 2026

To be an active member of our Club, you need to pay three fees: Club membership, Swim England Membership (insurance) and session fees.

To make paying fees less arduous, every Year, Club membership fees and Swim England Insurance are collected in two separate payments, one at the beginning of the year, and the other in the middle of the year.

Club Membership fees ensure that our club can function.

Swim England (SE) fees affiliate swimmers and volunteers to Swim England, providing, among other things, insurance for activities carried out with the Club.

Session fees cover the cost of lessons/training. These fees are calculated to cover the cost of pool hire and other necessary expenses. Sessions are run by qualified volunteers. These fees are payable monthly, for 12 months a year, and take into account holiday shutdowns and cancelled sessions (due to galas etc).

The current fees are shown below.

#### SE Club Compete (Cat 2)

Gives the above plus insurance for competing at Gala's.

#### SE Club Support (Cat 3)

For club volunteers.

The Club must re-register all members by the end of February each year to comply with Swim England deadlines. We require the Swim England fees to be paid by 1<sup>st</sup> of February so that the Club Administration Team can process the 190+ registrations. Reminder emails will always be sent to all members.

All our club officials and volunteer membership fees (Club Support) are subsidised by the club; this is paid out of club funds in return for each individual's voluntary hours and time they commit to TASC. If you are a volunteer and feel you are able to help with the cost of your membership, please contact our Club Secretary at [Tascclubsec@outlook.com](mailto:Tascclubsec@outlook.com)
