

## TASC Gala Calendar 26/27 Season

All events are subject to confirmation and conditions will apply. Please speak to a coach or email tascgala@outlook.com if you require more details.

Other events may be added and some dates may change.

Targeted meets are those accounted for in the annual training plan. Training increases in intensity, with a "taper" period the week before a target meet. Meets not targeted will not have tapered training in the run-up.

Please inform the Head Coach if you are entering other meets individually - swimmers must be supported at meets by qualified and DBS checked adults.
